South Shore Exhibition Trailer Park Rental Information

RULES & REGULATIONS

Trailer Park facilities are available to Livestock Exhibitors on a first-come basis at a cost of \$175.00 (Trailers) and \$125.00 (Tents) for the week, plus HST, this amount also includes water and power hookup and is payable in advance with your Entry Form.

Please advise us as to the size of your trailer. You MUST measure from the back of your trailer to the tip of the tongue. You must also include the width with slides out and if there is more than one slide, are they both on the same side of the trailer or opposite. Your registration papers only state the length of the actual trailer, and we need the length of it in its entirety.

There will be absolutely **NO** vehicles parked inside the campground. You will be provided a space in either Reserved or Livestock parking for your vehicle. Vehicles will be permitted inside to do drop off or pick ups only. They cannot remain inside.

Again, this year, the service of sewer pumping will be provided for a fee. You must register and prepay with cash at the office the day before you require sewer pumping. **NO RELEASE VALVES ARE TO BE KEPT OPEN.**

Dogs are permitted in the trailer park but must be kept on a leash. Excessive barking or other noise will not be tolerated. Owners will be asked to remove their dogs if they are causing any disturbance or if dog litter is not picked up by the owner.

LIVESTOCK IS NOT PERMITTED IN TRAILER PARK.

The entrance from the Trailer Park to the Exhibition Grounds will be at the Pedestrian Gate at the South end of the 4-H Barn. Entrance at this gate will be by Wrist Bands only. The Wrist Band must be securely attached to the wrist. The only exception to this rule is for children is 5 years of age & under. If for some reason, you cannot wear a wrist band, then you must use the Main Entrance Ticket area.

ICE will be sold in the 4-H canteen during the week of Exhibition.

Trailers are to arrive on the grounds **no earlier** than the Friday before Exhibition.

Due to fire regulations for the Town of Bridgewater, no open fires will be permitted.

OFFICE USE ONLY
